What is Game Cafe?

Game Cafe is a website that allows you to enter chat rooms to talk with other users, take various quizzes, and play games such as minesweeper, tic-tac-toe, and sudoku.

Roles:

Front End: Oscar, Frank

Back End: Robert, Chris

Future Innovations:

- **More games**
  - **Scores for all of those games for leaderboard**
- **Friends list**
  - **Private chat rooms**
- **Multiplayer functionality for the games**

Biggest Challenges:

- **Implementing the chat with firebase**
  - **Trying to add friends**
- **Implementing games from other sources into our project**
